Bluebird Island

Key: D

My ship set sail to Blue-bird Island and slowly drift-
ed out to sea; Her sil-ver sails to cross the o-cean my lov-er's
lone-ly heart set free. Then out a-cross the waves the blue-birds came one
day out o'er the sil-ver sea your mes-sage brought to me. To sail my ship of
love a-long the moon-lit bay, and an-chor in the har-bor of your heart.
The trade-winds there on Blue-bird Island soon dried her lone-
ly tears a-way. The treas-ure I found bro-ken heart-ed
was locked with-in my heart to stay. My ship set stay.
