Star Of The East

DAd tuning

1. Star of the East, O Bethlehem's star,
2. Star of the East, O Bethlehem's star.
3. Star of the East, thou hope of the soul.
4. Star of the east, thou hope of the soul.

Guiding us on the Heav'n a far;
Lead us from sin to glory a far.
While 'round us here the dark bil lows roll.
Whose rays are peace and joy and love.

Sorrow and grief are lull'd by thy light, Thou
faithful and pure thy rays beam to save, Re
Lead us from sin to glory a far, Thou
Watch o'er us still 'til life hath ceased, Beam

hope of each mortal, in death's lone ly night.
mind us of the gift that the Christ Child gave.
Star of the East, Thou sweet Bethlehem's star.
on bright star, Thou sweet Bethlehem star.

Fear less and tranquil we look up to Thee.

Knowing thou cam'st thro' eternity;

Help us to follow where Thou still dost guide.

Pilgrims of earth so wide.
