### [Verses 5-6]

5- Now I once had a sweet gal,
    Lord, she meant the world to me;
    She went down to Deep Elem,
    She ain't what she used to be.

6- Her papa's a policeman,
    And her mama walks the street;
    Her papa met her mama,
    When they were both on the beat.
