In the twilight glow I see you;
Now my hair has turned to silver,
And my hair turned to silver;
Blue Eyes Blue Eyes crying in the rain;

When we kissed goodbye and
In my heart I'll always

I knew we'd never meet again

Love is like a dying ember,
Some day when we meet up yonder,
we'll stroll

Memories remain
Memories remain

Thru the ages I'll remember
In that land that knows no

member, Blue Eyes crying in the rain.
member, Blue Eyes crying in the rain.
