1. Do not wait until some deed of greatness you may do, Do not
2. Just above are clouded skies that you may help to clear, Let not
3. Here for all your talent you may surely find a need, Here re-

wait to shed your light afar, To the many duties ever near you now be true,

Tho' into one heart a lone may fall your song of cheer,

flect the Bright and Morning Star, Even from the humble hand the bread of life may feed.

Brighten the corner where you are, Brighten the corner where you are!

Brighten the corner where you are! Brighten the corner where you are!

Refrain

Some one far from harbor you may guide across the bar; Brighten the corner where you are.
