By JEAN RITCHIE

Verse
Brightly
G
Bright is the morning and brisk is the weather, Steady the
A
wind o'er the sweet-singing sea; Proudly the tall ship a-
D
rides in the harbor, Come fare away with me.
G

Chorus (in 4)
G
Mar - nie, come fare a - way, Come fare a - way with me;
C

There's an island of dreams Over the rolling sea.
G

Sails at the ready, she's bound for Newfoundland.
Hasten, my darling, and do not delay!
Trees tall and green there, and fish by the millions—
Come fare away with me.
Chorus

Leave your belongings, for things do but bind us;
Hemmed-in the life here, it won't do for me;
Fretting and troubles, we'll leave them behind us.
There is a land that's free.
Chorus

Lace on your stout shoes of good Highland leather,
Bring your warm shawl and a cup for the tea;
There'll be a new life, we'll build it together,
Come fare away with me.
