There Is More Joy

American Spiritual

There is more joy some-where, There is more joy some-where, I'm go-na
There is more love some-where, There is more love some-where, I'm go-na
There is more peace some-where, There is more peace some-where, I'm go-na
There is more hope some-where, There is more hope some-where, I'm go-na

keep on 'til I find it. There is more joy some-where.
keep on 'til I find it. There is more love some-where.
keep on 'til I find it. There is more peace some-where.
keep on 'til I find it. There is more peace some-where.
