This Land Is Your Land

2. As I went walking that ribbon highway
   I saw above me an endless skyway.
   I saw below me that golden valley
   This land was made for you and me.

3. I've roamed and rambled and I followed my footsteps
   To the sparkling sands of her diamond deserts.
   And all around me, a voice was singing:
   This land was made for you and me.

4. When the sun came shining and I was strolling
   And the wheat fields waving and the dut clouds rolling.
   As the fog was lifting, a voice was chanting
   Tis land was made for you and me.

5. As I went walking, I saw a sign there
   On the sign it said "No Trespassing''.
   But on the other side it didn't say nothing
   That sign was made for you and me.

6. In the squares of the city, in the shadow of a steeple
   By the relief office, I seen my people.
   As they stood there hungry I stood there asking
   Is this the land made for you and me.

7. Nobody living can ever stop me
   As I go walking that freedom highway,
   Nobody living can make me turn back
   This land was made for you and me.
