Winter's Snow

Tune in DAd

D       G       D       G       Emin       A

See amid the winter's snow, born for us on earth below;

0       3       2       0       1       1

0       2       1       0       0       1       1

0       1       0       X       X       0       1       3       2       2       1       1

D       G       D       A       D

see the tender Lamb appears, promised from eternal years.

0       3       2       0       1       0

0       2       1       0       0       0

0       1       0       X       X       0       1       2       3       1       0       0

D       G       D       Emin       A       D       G       D       Emin       A

Hail, thou ever blessed morn; hail, redemption's happy dawn.

2       0       0       1       1       2       0       0       1       1

3       1       0       1       2       3       1       0       1       0

4       4       3       2       1       0       X       4       4       3       2       1       0       1

D       G       A       D       G       Emin       D       A       D

Sing through all Jerusalem: Christ is born in Bethlehem!

0       3       1       0       3       1       0       1       1       0

0       2       1       0       0       0       1       1       0       0       0

0       1       0       X       X       4       2       0       3       2       1       0
