1. There's a verdant shore by the water blue where we dearly love to stay.
2. There's no winter cold in that sunny clime where the sweet magnolias bloom.
3. On that sandy beach with its shady shore we can wander gay and free.
4. When the dogwood bright with its blossoms white sheds its fragrance on the beach.
5. There's an purpose grand to redeem the land and they strive to lead the way.

Chorus
