Get Yourself A Dulcimer

2. If you live in New York City, in a penthouse in the sky,
and when the sun goes down, you're so homesick you could cry.
Well get yourself a dulcimer and watch the clouds roll by.
While you're makin' country music in the sky.

3. If you're caught in London on a rainy afternoon
Your world seems kind of dull and you're feeling pickayune.
If you'll get yourself a dulcimer and learn to play a tune,
You can brighten up a rainy afternoon.
