2. I've wasted many precious years, Now I'm coming home.
3. I've tired of sin and straying, Lord Now I'm coming home.
4. My soul is sick, my heart is sore, Now I'm coming home.

A

The paths of sin too long I've trod;
home. I now repent with bitter tears, home.
I'll trust thy love, believe thy word, home.
My strength renewed, my hope restored.

D

coming home, coming home,
coming home, coming home.
Lord, I'm coming home.
Lord, I'm coming home.
Lord, I'm coming home.
Lord, I'm coming home.

A

Never more to roam. Open wide thine arms of love,
