2. As I went walking that ribbon highway, I saw above me, an endless skyway. I saw before me that gold valley, This land was made for you and me.

3. I've roamed and rambled and I followed my footsteps, to the sparkling sands of her diamond deserts. And all around me, a voice was singing, this land was made for you and me.

4. When the sun came shining and I was strolling, and the wheat fields waving and the dark clouds rolling, As the fog was lifting, a voice was chanting, This land was made for you and me.

5. As I went walking, I saw a sign there, on the sign it said "no trespassing", But on the other side it didn't say anything, that sign was made for you and me.

6. In the squares of the city, in the shadow of a steeple, by the relief office, I seen my people, As they stood there hungry and I stood there asking, Is this the land made for you and me?

7. No body living can ever stop me, as I go walking that freedom highway, no body living can make me turn back this land was madce for you and me.
