It's a world of laughter, A world of tears
It's a world of hopes, And a world of fears
There's much that we share That it's time we're aware
It's a small world after all.

It's a world of laughter
It's a world of tears
It's a world of hopes
It's a world of fears
There's much that we share
That it's time we're aware
It's a small world after all.

CHOURS:

It's a small world after all
It's a small world after all
It's a small world after all
It's a small world after all

There is just one moon
And one golden sun
And a smile means friendship to everyone
Though the mountains divide
And the oceans are wide

It's a small world after all.
